

# Ascension Lutheran School Kindergarten

## Meet the Kindergarten Teacher

My name is Mrs. Eve Hopkins and I am the Kindergarten teacher at Ascension Lutheran School. I just wanted to introduce myself and let you know a little bit about our Kindergarten program. Before I began teaching at Ascension Lutheran I was the Director of School Age Care at Christ Lutheran RPV for 5 years. I have my Bachelors Degree in Theater Arts and ran my own youth theatre company for 2 years. I have 3 daughters of my own, Savannah, Serena, and Sadie. My two oldest daughters attended preschool here at Ascension and my husband, Steve, was principal here long ago and now teaches 8th grade Math at Dodson Middle School in RPV.

I love teaching Kindergarten! Our mission at Ascension Lutheran is to GROW in Christ.

With my background in theater, I incorporate whole child learning into the classroom. We act out stories, events in history, and even math problems. We have a full Kindergarten curriculum at Ascension Lutheran School. We not only have the core subjects of Religion, Math, Reading, Social Studies and Science, but we also offer Computer, Art, Music, and P.E. My approach is to achieve a balanced curriculum that allows your child to GROW and bloom spiritually, academically, socially, and emotionally. Our small class sizes allow for individualized attention to meet the needs of all of our students.

In the 2016-2017 school year we expanded our Kindergarten program to include a full-day program as well as a half-day Kindergarten option for parents to choose from. We will be having a **Parent Information Night** on **Tuesday, February 5, 2019** at **6:00PM**. We look forward to making the transition from preschool to Kindergarten as smooth as possible.

God's Blessings,  
Mrs. Hopkins
